Coordinator's Message

I would like to thank Bill Henderson, Shannon Hiatt, Jim Armstrong, and the ASRA Members, who have helped put this special together.

I know that the club is headed in the right direction. We are lucky to have such a creative and hard working bunch. Keep up the good work and keep puching forward.

Thank You
Joseph Ognibene

Editorial

We would like to thank the clubs, fanciers, and any and everyone that have given us their support through the years.

There have been times when we thought we weren't going to make it. But every time, you wonderful people would some how pull us through.

We have thoroughly enjoyed the last few years, and we are still striving to make improvements as we go. With your help and support who knows where we will end up.

We are looking forward to seeing you at the shows.

Ed and Carol Pointer
