IN THIS ISSUE

While those of us who live north of the equator are working on our breeding season, the folks "Down Under" are gearing up for their show season. Michael Spadoni, the President of the Melbourne Pigeon Society, sent a show report with some lovely photos.

We also have the first part of an article on the German Pigeon Museum and Brad Child continues his series on Loft Hopping in Hessen with more beautiful breeds including the Amsterdam Tumbler, Dutch Tumbler and Gent Cropper.

Our "Breed of the Issue" is Racing Homers and we have two great articles on Rare Colors with quite a bit of genetic information mixed in. Also, an article on the Ceremonial Release business and the next part of Hubert Eysermans' excellent series on Success in Racing.

Hope you enjoy the issue!
